UNDER THE SCHOOL-BASED SERVICES BENEFIT**

Name — School-Based Services (SBS) Provider	Wisconsin Medicaid Provider Number
---------------------------------------------	------------------------------------

The SBS provider named above requests a waiver under HFS 106.13, Wis. Admin. Code, for the requirement for obtaining prescriptions under the SBS benefit, following HFS 105.53(2) and 107.36(1) and (2), Wis. Admin. Code, for the following services (check all that apply):

- ☐ Speech and language pathology, audiology, and hearing services.
- ☐ Physical therapy services.
- ☐ Occupational therapy services.
- ☐ Psychological services, counseling, and social work services.

Under this waiver, the SBS provider is required to do all of the following:

- Continue to meet the Department of Public Instruction and Department of Regulation and Licensing standards for prescriptions for services provided to children in the school setting under the SBS benefit.
- Notify the child's HMO, physician, physician specialist, physician assistant, or nurse practitioner regarding the services the child obtains under the SBS benefit at least annually. This activity must be documented in the child's record.
- Document communication with other Medicaid providers at least annually when a child receives similar services from other Medicaid providers. The communication must be documented in the child's record and copies of the child's Individualized Education Program must be supplied to other providers when requested.
- Coordinate care with managed care organizations through Memorandums of Understanding as currently required under the SBS benefit.
